Notes:								

Legacy Equipment provides daily inspections forms for any company that does not possess their own in-house daily equipment inspection forms. Legacy Equipment's inspection forms are only a general over view of what is required for general upkeep of the machinery. Refer to the unit's operators manual and maintenance manual for any further information regarding the machinery. Any damages to machinery must be reported to Legacy Equipment at orderdesk@legacyequipment.ca or by calling 780-989-2662.
